

The Magic Group

UK TOUR 2024

themagicgroup.com.au

Introduction

The Magic Group UK Tour will provide players and families an insight into Youth Development in the UK. The tour will allow players the chance to train under Professional Academy Club coaches, play games against Premier League Academy opposition, and experience a first hand look at Youth football in the UK.

Players and families will also get to experience football at the highest level with tickets to Premier League games, tours of the most famous football stadia in the World, and a full itinerary involving each important aspect of professional football.
